

Persian Community Fairs Terms and Conditions

Applies to Persian Festival of Fire & Persian Nature Day Events

- 1) You shall bring everything you need including table, chairs, marquee, etc. ICWA will lend you one marquee, one table and one chair for your stall during the event, if you chose this option when you put your order on ICWA website.
- 2) You have permission to erect one marquee (3x3m Max) at your own risk.
- 3) You shall arrive 2 hours prior to the official timing of the event, to setup your stall to be ready for the event.
- 4) All equipment, marquees, sign and banners shall be removed from the reserve within one hour after the official ending of the event, **with area (up to 2 meters left, right and back and up 30 meters in front of your stall) left in a clean, undamaged and tidy state. Any rubbishes left or damage to grasses in your assigned area will attract fines and you will have your hire bond forfeited.**
- 5) Your stall shall be setup in the exact spot assigned to you from the Market Stalls area shown on the event sitemap.
- 6) Your business permit/trading licence (will be provided by us) must be displayed on your stall during the event.
- 7) Vehicle access to reserve
 - Only those vehicles stipulated on the Function Permit will have the access to reserve, with penalty for non-compliance imposed.
 - No car parking allowed on the reserve. Vehicle access to the reserve only granted to unload and load equipment and/or materials for the function.
 - The access gate to the park will remain unlocked for 2 hours prior and one hour after the event. Please open the gate to enter to and close the gate when entered.
 - Vehicles must observe a 10km/hr speed limit and drive with hazard lights on whilst on a reserve.
 - Your vehicle shall not be on the reserve during the event.
Exception: Vehicle can remain near the stall/marquee during the event, only and only if stall holder have applied for additional access, paid the Vehicle Access Fee, and granted such permit from City of South Perth (thru ICWA).
- 8) There would be some white lines painted on the grass areas. These lines are painted to highlight the reticulation pipelines, etc and to ensure the area's infrastructure will not be compromised by "stall holders/our" marquees and signage. Please make sure your stall will be minimum of one meter ever side away from the white lines.
- 9) Power generators (if any) **must be off the grass.**
- 10) Signs must be located so as NOT to obstruct vehicular traffic, pedestrian and cyclists sight lines.

Please ensure you stall area and activity complies with the term and condition stated here. Requirement prescribed by these term and conditions will attract a fine for non-compliance. If you have any questions regarding these terms and condition, please contact ICWA (see icwa.org.au for contact details) or the City of South Perth booking officer on 9474 0850.
